### What about the corn show?

What's the reason Mexico can't have a good hand?

Have you noticed the way Mexico merchants are advertising in the Ledger—get in line and secure your share of the business.

Hardly a day goes by that advertising pays, and makes some very attractive propositions in the daily and weekly Ledger. Those wanting bargains should read Rixey's advertisements closely.

Quite a number of complaints are made regarding the stealing of the Evening Ledger from front yards. Two or three guilty parties are known and unless this practice is abandoned prosecutions will probably cure the habit.

The Mexico High School has been moved into the new building, which is one of the best in the State. The people of this district have a right to be proud of the McMillan High School, the building and the teachers. No better investment could have been made.

Two hundred and fifty citizens, of Nevada, Mo., have organized a business men's league, opposing local option. Those in favor of the anti-alcohol league have organized the local option league. The election takes place November seventh, and both sides claim the victory. The prospect is, the vote will be close.

Judge W. H. Wallace, of Kansas City, will have the actors indicted, unless the theatres are closed on Sunday. Regarding this matter Judge Wallace says: "I don't want to be ungenerous in this matter and do not like to work hardship upon anyone, but the law must be obeyed. Actors are the hardest-worked people in the world. They should welcome a holiday each week."

If the Friedman Brothers shoe factory of St. Louis and the Morris Brothers shoe factory of Mexico consolidate it will give Mexico one of the largest shoe factories in the country. The building will be enlarged and the capacity doubled or tripled immediately. This would make not only a strong financial firm, but one that would make the best shoes in the world.

The first of a series of stock sales to take place in Columbia, Mo., will be held on November eleventh. Stock buyers of Audrain county are cordially invited to attend this sale. A large amount of stock has been promised for the occasion and bargains will be offered. Stockholders of the character bring the buyers and sellers together and prove most beneficial to all concerned. We trust that the Columbia stock sales will be a grand success and that Mexico will soon follow suit.

The writer had the pleasure of seeing nine balloons, representing American, England, Germany and France, start on a race from St. Louis, Monday afternoon, at four o'clock. An enormous crowd of people from all parts of Missouri and adjoining States was in attendance and the occasion was a most impressive one. Two experts went up with each airship, all provided for an extended trip. The day of airships is at hand, and developments within the next few years promise to be most pronounced.

Referring to the next Governor of Missouri the Columbia, Mo., Herald editorially says: The next Governor will be a Democrat. He will be elected on the platform which declares for aggressive honesty in public affairs; for the enforcement of all the written laws whatever the law may be; for the suppression of the liquor traffic by local option and the absolute elimination of the saloon from politics; for State control of corporations; for taxation of franchises and special privileges for more liberal support of schools; for permanent, adequate support of the State University; for a new Constitution and a new Missouri.

### BETTER THAN MEDICINE.

Breathe Hyonell's Tonic Healing and be Cured of Catarrh.

Nature has a remedy for catarrh, a treatment that is far better than doing the stomach with medicine.

It is the healing air and balms of Hyonell which moderate the air you breathe, reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs, and restoring health to the mucous membrane.

In using Hyonell you are treating your catarrhal troubles with the only natural remedy, for it gives a curative air bath to the air passages that has as powerful healing and antiseptic effect as that found in the mountains where the pine forests give off their fragrant and healing balms. Breathe the invigorating and healing Hyonell, and see how quickly you will get relief from your catarrhal troubles. Druggists have seen so many cures, even of the worst cases of catarrh, with Hyonell, that they are now quick to get relief from your catarrhal troubles. ## Chunks of Driftwood.

By One Reason G. Dell.

We are not dead—only sleeping. Fred Zomast gave his many friends a funny dress ball Friday night. Prof. E. H. Ellington's String Band furnished the music for the dancers and it was all hands around. Col. Zomast is always there with the goods.

Barry Hooten is slowly improving. Miss Linnie Bybee entertained Miss Southern of northern Audrain Sunday.

Col. Bob White is now the only living Democrat that ever went over to Europe and "done" that foreign country in fifteen minutes and then returned to his desk to help make Mexico a city. It's a way friend Bob has.

The only things that have made Mexico famous is the Mexico Ledger, Cottonwood Springs, the shoe factory, Bill Regalade's saddles, Paul Weber's bread and Charley Dolgan's "hot stuff" factory. It's a way we have.

Col. Carter Johnson will take one of his Flat Head Indians—Meadie-the-face—to St. Louis, this week to see the big balloon ascension.

We are shortly to print a book of poems for Louis McIntire. The poems are fierce, but touching.

Virgil Miller, Hip Hughes, Marcelus Hook and Reuben Ott will make application to enter the Printer's Home near Cottonwood Springs. All are good men and should draw pensions on the side for the way they have "worked" their friends to help make Mexico a city. Their only little sweet wish is that the North Side Alley may be widened about the size of four feet and then paved.

Col. Ab Armstrong is in Columbia on professional business. Dr. Hops Kemp says Abner is a perfect dream and a summer fortress. Of course.

Dr. Dave Sullivan has rheumatism in his best foot but manages to hobble around to see his many patients. It's a way the Doctor has.

Clark Garrett weighed his cattle Monday. The way the cattle tilted the beam was fierce. He is thinking of shipping them to Liverpool, England. By-the-way, one of Clark's many lady friends has made a bet that this gallant young man will shortly wed one of Mexico's loveliest flowers, and she's a peach, too. We are quite sure the said young lady will win the bet. She herself would have "loved" to have captured Mr. Garrett, but he is so exceedingly shy.

Richard Bradley is in Mexico shaking hands with his many friends. Dick lives in Fort Collins, Colorado, and reports the country of Mexico, people, now living in that city, as doing well. Fort Collins is a "dry" city and the Mexico people in this bustling western town all read the Ledger, walk in the straight and narrow way, keep the good faith and are happy on the way to glory hallelujah!

Dr. Anton Bradshaw, tells this funny but story on Col. Jim Ford, the well known and popular auctioneer: "Several years ago," said the doctor, "I was called to see Col. Ford, who was a mighty sick man and found his pulse beating at a 100 clip. I told the Colonel his pulse was at 100. He was very delighted, and replied: 'At 100, at 100, going at 100, who will make it 104?' I saved Col. Ford's life but it was a mighty close call for the handsome auctioneer."

Col. Gen. Clark, the handsome rural route mail carrier, is home after taking a much needed rest at Deer Park Mo. Col. Clark killed two deer, made several Sunday School speeches and had a rattling good time.

If you want to enjoy a hearty laugh, just get Sam Malone, the handsome postoffice clerk, to tell you a funny story. Some of his stories have whiled

hours on them, while others contain fourteen rattles and seven buttons.

Old Reuben Harlow, the Bard of Youngs Creek, was in Mexico Monday on professional business. Col. Harlow reports people prosperous and happy in his section. He also states the time is near at hand that we must either fight or take to the woods. Great pickles! What are we sinners going to do to be saved from the brand of the burning? We want a fair, honest deal. That's all.

Mrs. Henry Neiderich's Dead. Mrs. Neiderich, wife of Henry Neiderich, Sr., died at her home, northwest of Mexico, Wednesday morning, October 23, of kidney trouble.

The deceased was born in Germany sixty-seven years ago, but he is said to have lived in Mexico for many years, and was most estimable woman. Besides a husband the following children survive her: William, Henry, Fred and Annie, of Audrain county; Louis, of St. Louis, Mrs. Carl Barry, of Midland, and Mrs. E. A. Feutz, of Rush Hill, Mo.

The funeral services will take place from the German Lutheran church in this city Friday afternoon at 1 o'clock by Rev. Hays, who will preach in the German language and Rev. Dougherty, of Wellsville, who will preach in American language.

The remains will be taken from the home at eleven o'clock.

The Ledger extends sympathy to the bereaved ones.

Jobe. The Jobe Publishing Company, of Sturgeon, Mo., has put upon the market a new game with cards called Jobe, which promises to be most attractive. Those who have tried this new game of cards pronounce it delightful.

Funeral of Mrs. Fox. The funeral services of Mrs. J. M. Fox, who died yesterday Saturday morning, were held from bereavement on Agricultural street Sunday afternoon at four o'clock, conducted by Rev. C. M. Aker after which the remains were interred in the city cemetery.

The pall bearers were J. W. Howell, Wm. Frazer, John Beal, Andrew Luckie, Wm. Crockett and S. P. Ramona.

Meister Tomatoes in Delaware. New Castle, Del., Oct. 19.—On the farm owned by the DuPonts and tenanted by Arthur B. Keen are grown some of the largest tomatoes seen in this locality in several years. The largest weighed one pound and eleven ounces, while thirty-one weighed over forty-one pounds, or an average of nearly one and one-half pounds each.

Notice. Notice is hereby given that the North Missouri Trust Company, Assignee of Henry L. Miller will on December 7th, 1907. Apply to the Circuit Court of Audrain County for its discharge as said Assignee.

Funeral of W. F. Jones. W. F. Jones, of this city, who died suddenly Sunday morning at the home of his son-in-law, Frank Plummer, in Springfield, Mo., was an old citizen of Mexico, and for years was a prominent house mover in this part of Missouri.

New Meat Market. Owen & Towson have opened their meat market, three doors north of the postoffice on S. Washington street, and will carry fresh and cured meats of all kinds, and poultry in season. Phone 415. 261-1/2-30 ft.

Charley Anderson, manager of Col. Green's farm in Saline township, has returned from his old home in Sweden. A nephew and two young girls returned with Mr. Anderson. One of the girls will make her home with Mr. and Mrs. Clay and the other will reside with Mr. Anderson and family.
